PROFESSIONAL EXPERIENCE

Business Development Manager - AI Solutions

Jun 2026 - Present

Apply Wizz

- Directed business development for AI-powered career solutions, generating approximately \$70,000 in monthly revenue by managing inbound and outbound sales opportunities, consultative selling, and structured pipeline execution.
- Developed GTM strategies using CRM, market research, customer segmentation, and inbound lead analysis to expand the qualified pipeline and improve customer acquisition across target markets.
- Managed the end-to-end sales cycle by collaborating with product, operations, and customer success teams to convert inbound inquiries, onboard clients, and strengthen customer retention.
- Optimized sales performance through CRM reporting, KPI tracking, pipeline analysis, and revenue forecasting, enabling data-driven decisions and supporting consistent business growth.

Senior Business Development Associate

Jan 2026 - May 2026

Apply Wizz

- Led a 4-member B2C EdTech sales team, managing high-ticket learner counseling, pipeline conversion, and revenue execution while generating approximately \$55,000 in monthly revenue through structured follow-ups and performance reviews.
- Expanded business opportunities through targeted prospecting initiatives using LinkedIn Sales Navigator, generating 200+ qualified leads across priority markets and customer segments to strengthen the sales pipeline.
- Leveraged HubSpot CRM to manage pipeline progression, forecast opportunities, track customer interactions, and improve sales visibility across the complete lead-to-enrollment lifecycle.
- Strengthened client relationships through consultative selling, proactive engagement, and structured follow-up activities, improving customer retention, referral opportunities, and long-term account growth.
- Negotiated partnerships with education consultancies and institutional stakeholders by aligning business requirements, commercial discussions, and collaboration strategies to expand market presence.
- Collaborated with marketing and leadership teams to optimize sales campaigns, analyze conversion performance, refine outreach strategies, and improve overall business development effectiveness through data-driven decision-making.

Business Development Associate

Aug 2025 - Dec 2025

Apply Wizz

- Generated over \$25,000 in revenue by converting qualified prospects through LinkedIn Sales Navigator and sales outreach, while adding 150+ prospective education partners and consultancies to the pipeline.
- Conducted lead qualification by assessing prospect requirements, business needs, and engagement potential, contributing to improved meeting conversion rates and higher-quality sales opportunities.
- Maintained accurate prospect records and follow-up schedules within HubSpot CRM, ensuring effective pipeline tracking, timely outreach execution, and improved sales process visibility.
- Researched competitor offerings using SEMrush and SimilarWeb, and Ahrefs to identify market trends, evaluate competitive positioning, and support prospect targeting and outreach planning efforts.
- Executed targeted email outreach campaigns using Mailchimp and coordinated with marketing teams to improve prospect engagement, strengthen communication efforts, and support lead nurturing activities.
- Prepared sales presentations, proposals, and client-facing materials using Microsoft PowerPoint and Excel, supporting discussions with prospective partners, universities, and education consultancies.

PROJECTS

B2C Lead Automation & Analytics Initiative

- Organized prospect and outreach data using Microsoft Excel and Google Sheets, creating a structured reporting process that improved visibility into sales activities and follow-up progress.
- Consolidated engagement and pipeline information from multiple sources, enabling accurate tracking of prospect interactions and supporting day-to-day reporting requirements.
- Evaluated sales funnel performance through regular data analysis and reporting reviews, helping identify improvement opportunities and support business development planning.

Strategic Partnership Outreach Campaign

- Conducted market research using SEMrush, SimilarWeb, and competitor analysis techniques to identify potential partnership opportunities across EdTech and SaaS segments.
- Developed business proposals and sales presentations using Microsoft PowerPoint and Excel, helping communicate partnership opportunities and align discussions with stakeholder expectations.
- Supported partner engagement activities through professional business communication and relationship-building efforts, contributing to partnership discussions and market expansion initiatives.
